GATE RECEIPTS AND ADMISSIONS (ROYALTIES)

Since the District wishes to enable as many people as possible to enjoy District social and athletic events, gate receipts and admissions shall be held to a minimum and shall be charged only when athletic league rules, or the financial limitations of the District, make them strictly necessary.

Middle schools shall not charge gate admission for athletic activities, and the District shall allocate funds to make free admission to these events possible. However, league rules regarding gate admissions for tournaments and other special events shall be followed.
