

## How To Access My Online Course

1. Login to the Infinite Campus Portal and click on eDCSD to reveal the school

Happy Holidays!

ATTENTION NEW STUDENTS TO eDCSD - THE DCSD 101 INTRODUCTORY COURSE WILL BE AVAILABLE ON WEDNESDAY, DECEMBER 19. USE THE LINK BELOW TO ACCESS THE COURSE THROUGH JONES EDUCATION.

Please note that two reports have been added to the portal for you: transcripts and eDCSD term 1 (semester grades). Final grades will be posted on December 21st and appear in a green box. Please know that if you are still in progress with your course, your grade will appear in a yellow box. When your 18 week term is complete, your final grade will appear in a green box and can be printed as a final report.

Please calculate the 18 weeks from the first date or your login to the eDCSD courses in Jones.

If you have been dropped from your class due to inactivity and wish to appeal, please contact the online principal.

Remember, you can expect to spend a similar amount of time engaged with your online course as you would in a face to face class (approximately an 1 to 1 1/2 hours).
