

# Artificial Turf Guidelines Community Use Of School Facilities

## **Prohibited Activities on Artificial Turf Fields:**

No vehicular traffic is allowed on artificial turf fields.

No storage of equipment.

No golfing, javelin throwing, and no use of long spike track shoes associated with cinder tracks.

No open flames of any kind, including fireworks and welding, etc., allowed.

No smoking or use of tobacco products is allowed on District property.

No water is to be sprayed on artificial turf fields.

No introductions of sand or fills on the field.

No sunflower seeds on the field.

**Snow removal is prohibited** by rental groups. The District will not clear snow from fields for rental use.

No roller blades, roller skates, skateboards, bicycles, tricycles or any other self-propelled or otherwise-propelled wheeled apparatus shall be allowed on the artificial turf field.

Any equipment used on the field must be lifted and carried for placement-DO NOT DRAG-(i.e. hurdles).

Maximum length for cleat spikes is 1/4"; 3/16" is preferred.

Violation of these guidelines may be cause for expulsion from District property and/or loss of rental privileges. Any repair cost will be billed to the renter.
