

**DOUGLAS COUNTY SCHOOL DISTRICT  
IMPORTANT NOTICE  
COMPREHENSIVE NOTICE OF PRIVACY POLICY AND PROCEDURES**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY  
BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS  
INFORMATION. PLEASE REVIEW IT CAREFULLY.**

This notice is provided to you on behalf of:

**Douglas County School District Medical Plan  
Douglas County School District Dental Care Plan  
Douglas County School District Vision Plan  
Douglas County School District Flexible Benefits Plan**

These plans comprise what is called an “Affiliated Covered Entity,” and are treated as a single plan for purposes of this notice and the privacy rules that require it. For purposes of this notice, we will refer to these plans as a single “Plan.”

**The Plan’s Duty to Safeguard Your Protected Health Information**

Individually identifiable information about your past, present, or future health or condition, the provision of health care to you, or payment for the health care is considered “Protected Health Information” (“PHI”). The Plan is required to extend certain protections to your PHI, and to give you this notice about its privacy practices that explains how, when, and why the Plan may use or disclose your PHI. Except in specified circumstances, the Plan may use or disclose only the minimum necessary PHI to accomplish the purpose of the use or disclosure.

The Plan is required to follow the privacy practices described in this notice, though it reserves the right to change those practices and the terms of this notice at any time. If it does so, and the change is material, you will receive a revised version of this Notice either by hand delivery, mail delivery to your last known address, or some other fashion. This notice, and any material revisions of it, will also be provided to you in writing upon your request (ask your Human Resources representative, or contact the Plan’s Privacy Official, described below), and will be posted on any website maintained by Douglas County School District that describes benefits available to employees and dependents.

You may also receive one or more other privacy notices from insurance companies that provide benefits under the Plan. Those notices will describe how the insurance companies use and disclose PHI and your rights with respect to the PHI they maintain.

## **How the Plan May Use and Disclose Your Protected Health Information**

The Plan uses and discloses PHI for a variety of reasons. For its routine uses and disclosures it does not require your authorization, but for other uses and disclosures, your authorization (or the authorization of your personal representative (e.g., a person who is your custodian, guardian, or has your power-of-attorney) may be required. The following offers more description and examples of the Plan's uses and disclosures of your PHI.

- **Uses and Disclosures Relating to Treatment, Payment, or Health Care Operations.**
  - **Treatment:** Generally, and as you would expect, the Plan is permitted to disclose your PHI for purposes of your medical treatment. Thus, it may disclose your PHI to doctors, nurses, hospitals, emergency medical technicians, pharmacists, and other health care professionals where the disclosure is for your medical treatment. For example, if you are injured in an accident, and it's important for your treatment team to know your blood type, the Plan could disclose that PHI to the team in order to allow it to more effectively provide treatment to you.
  - **Payment:** Of course, the Plan's most important function, as far as you are concerned, is that it *pays for* all or some of the medical care you receive (provided the care is covered by the Plan). In the course of its payment operations, the Plan receives a substantial amount of PHI about you. For example, doctors, hospitals, and pharmacies that provide you care send the Plan detailed information about the care they provided, so that they can be paid for their services. The Plan may also share your PHI with other plans in certain cases. For example, if you are covered by more than one health care plan (e.g., covered by this Plan and your spouse's plan or covered by the plans covering your father and mother), we may share your PHI with the other plans to coordinate payment of your claims.
  - **Health care Operations:** The Plan may use and disclose your PHI in the course of its "health care operations." For example, it may use your PHI in evaluating the quality of services you received or disclose your PHI to an accountant or attorney for audit purposes. In some cases, the Plan may disclose your PHI to insurance companies for purposes of obtaining various insurance coverages. However, the Plan will not disclose, for underwriting purposes, PHI that is genetic information.
- **Other Uses and Disclosures of Your PHI Not Requiring Authorization.** The law provides that the Plan may use and disclose your PHI without authorization in the following circumstances:
  - **To the Plan Sponsor:** The Plan may disclose PHI to the employers (such as Douglas County School District) who sponsor or maintain the Plan for the benefit of employees and dependents. However, the PHI may only be used for limited purposes, and may not be used for purposes of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the employers. PHI may be disclosed to: the human resources or employee benefits department for purposes of enrollments and disenrollments, census, claim resolutions, and other matters related to Plan administration; payroll department for purposes of ensuring appropriate payroll deductions and other payments by covered persons for their coverage; information technology department, as needed for preparation of data compilations and reports related to Plan administration; finance department for purposes of reconciling appropriate

payments of premium to and benefits from the Plan, and other matters related to Plan administration; internal legal counsel to assist with resolution of claim, coverage, and other disputes related to the Plan's provision of benefits.

- **To the Plan's Service Providers:** The Plan may disclose PHI to its service providers ("business associates") who perform claim payment and plan management services. The Plan requires a written contract that obligates the business associate to safeguard and limit the use of PHI.
- **Required by Law:** The Plan may disclose PHI when a law requires that it report information about suspected abuse, neglect, or domestic violence, or relating to suspected criminal activity, or in response to a court order. It must also disclose PHI to authorities that monitor compliance with these privacy requirements.
- **For Public Health Activities:** The Plan may disclose PHI when required to collect information about disease or injury, or to report vital statistics to the public health authority.
- **For Health Oversight Activities:** The Plan may disclose PHI to agencies or departments responsible for monitoring the health care system for such purposes as reporting or investigation of unusual incidents.
- **Relating to Decedents:** The Plan may disclose PHI relating to an individual's death to coroners, medical examiners, or funeral directors, and to organ procurement organizations relating to organ, eye, or tissue donations or transplants.
- **For Research Purposes:** In certain circumstances, and under strict supervision of a privacy board, the Plan may disclose PHI to assist medical and psychiatric research.
- **To Avert Threat to Health or Safety:** In order to avoid a serious threat to health or safety, the Plan may disclose PHI as necessary to law enforcement or other persons who can reasonably prevent or lessen the threat of harm.
- **For Specific Government Functions:** The Plan may disclose PHI of military personnel and veterans in certain situations, to correctional facilities in certain situations, to government programs relating to eligibility and enrollment, and for national security reasons.
- **Uses and Disclosures Requiring Authorization:** For uses and disclosures beyond treatment, payment, and operations purposes, and for reasons not included in one of the exceptions described above, the Plan is required to have your written authorization. For example, uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and disclosures that constitute a sale of PHI would require your authorization. Your authorization can be revoked at any time to stop future uses and disclosures, except to the extent that the Plan has already undertaken an action in reliance upon your authorization.
- **Uses and Disclosures Requiring You to Have an Opportunity to Object:** The Plan may share PHI with your family, friend, or other person involved in your care, or payment for your care. We may also share PHI with these people to notify them about your location, general condition, or death. However, the Plan may disclose your PHI only if it informs you about the disclosure in advance and you do not object (but if there is an emergency situation and you cannot be given your opportunity to object, disclosure may be made if it is consistent with any prior expressed wishes and disclosure is determined to be in your best interests; you must be informed and given an opportunity to object to further disclosure as soon as you are able to do so).

## **Your Rights Regarding Your Protected Health Information**

You have the following rights relating to your protected health information:

- **To Request Restrictions on Uses and Disclosures:** You have the right to ask that the Plan limit how it uses or discloses your PHI. The Plan will consider your request, but is not legally bound to agree to the restriction. To the extent that it agrees to any restrictions on its use or disclosure of your PHI, it will put the agreement in writing and abide by it except in emergency situations. The Plan cannot agree to limit uses or disclosures that are required by law.
- **To Choose How the Plan Contacts You:** You have the right to ask that the Plan send you information at an alternative address or by an alternative means. To request confidential communications, you must make your request in writing to the Privacy Official. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. The Plan must agree to your request as long as it is reasonably easy for it to accommodate the request.
- **To Inspect and Copy Your PHI:** Unless your access is restricted for clear and documented treatment reasons, you have a right to see your PHI in the possession of the Plan or its vendors if you put your request in writing. The Plan, or someone on behalf of the Plan, will respond to your request, normally within 30 days. If your request is denied, you will receive written reasons for the denial and an explanation of any right to have the denial reviewed. If you want copies of your PHI, a charge for copying may be imposed but may be waived, depending on your circumstances. You have a right to choose what portions of your information you want copied and to receive, upon request, prior information on the cost of copying.
- **To Request Amendment of Your PHI:** If you believe that there is a mistake or missing information in a record of your PHI held by the Plan or one of its vendors you may request in writing that the record be corrected or supplemented. The Plan or someone on its behalf will respond, normally within 60 days of receiving your request. The Plan may deny the request if it is determined that the PHI is: (i) correct and complete; (ii) not created by the Plan or its vendor and/or not part of the Plan's or vendor's records; or (iii) not permitted to be disclosed. Any denial will state the reasons for denial and explain your rights to have the request and denial, along with any statement in response that you provide, appended to your PHI. If the request for amendment is approved, the Plan or vendor, as the case may be, will change the PHI and so inform you, and tell others that need to know about the change in the PHI.
- **To Find Out What Disclosures Have Been Made:** You have a right to get a list of when, to whom, for what purpose, and what portion of your PHI has been released by the Plan and its vendors, other than instances of disclosure for which you gave authorization, or instances where the disclosure was made to you or your family. In addition, the disclosure list will not include disclosures for treatment, payment, or health care operations. The list also will not include any disclosures made for national security purposes, to law enforcement officials or correctional facilities, or before the date the federal privacy rules applied to the Plan. You will normally receive a response to your written request for such a list within 60 days after you make the request in writing. Your request can relate to disclosures going as far back as six years. There will be no charge for up to one such list each year. There may be a charge for more frequent requests.

## **How to Complain About the Plan's Privacy Practices**

If you think the Plan or one of its vendors may have violated your privacy rights, or if you disagree with a decision made by the Plan or a vendor about access to your PHI, you may file a complaint with the person listed in the section immediately below. You also may file a written complaint with the Secretary of the U.S. Department of Health and Human Services. The law does not permit anyone to take retaliatory action against you if you make such complaints.

## **Notification of a Privacy Breach**

Any individual whose unsecured PHI has been, or is reasonably believed to have been used, accessed, acquired or disclosed in an unauthorized manner will receive written notification from the Plan within 60 days of the discovery of the breach.

If the breach involves 500 or more residents of a state, the Plan will notify prominent media outlets in the state. The Plan will maintain a log of security breaches and will report this information to HHS on an annual basis. Immediate reporting from the Plan to HHS is required if a security breach involves 500 or more people.

## **Contact Person for Information, or to Submit a Complaint**

If you have questions about this notice, please contact the Plan's Privacy Official or Deputy Privacy Official(s) (see below). If you have any complaints about the Plan's privacy practices, handling of your PHI, *or breach notification process*, please contact the Privacy Official or an authorized Deputy Privacy Official.

## **Privacy Official**

The Plan's Privacy Official, the person responsible for ensuring compliance with this notice, is:

Scott Barnes  
Director Human Resources  
720-433-1292

## **Organized Health Care Arrangement Designation**

The Plan participates in what the federal privacy rules call an "Organized Health Care Arrangement." The purpose of that participation is that it allows PHI to be shared between the members of the Arrangement, without authorization by the persons whose PHI is shared, for health care operations. Primarily, the designation is useful to the Plan because it allows the insurers who participate in the Arrangement to share PHI with the Plan for purposes such as shopping for other insurance bids.

The members of the Organized Health Care Arrangement are:

**Douglas County School District Medical Plan Kaiser Permanente/Cigna-Allegiance**  
**Douglas County School District Dental Care Plan Delta**  
**Douglas County School District Vision Plan VSP**  
**Douglas County School District Flexible Benefits Plan**

**Effective Date**

The effective date of this notice is: June 1, 2021.

**NOTICE OF SPECIAL ENROLLMENT RIGHTS**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (e.g., divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of eligibility under Medicaid or CHIP, you must request enrollment within *30 days* after your or your dependent's(s') other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within *60 days* of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within *60 days* after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within *30 days* after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact:
