

Investing in Castle Rock Elementary Students

2018 **Mill Levy Override** and **Bond** Proposal

The Douglas County School District's Board of Education recently voted to place a **\$40 million Mill Levy Override (MLO)** and **\$250 million no-new-taxes Bond** on the ballot this fall. **If passed by voters, this is how the additional funds would be invested in our school.**

Mill Levy Override Dollars would be used to:

- **Make teacher and staff pay more competitive with neighboring school districts**
- **Add counselors for our students**

Additional funding would also enhance Safety and Security at all DCSD schools.

MLO/Bond funding would be used by DCSD to replace and upgrade Information Technology and Transportation, and offer more student programming opportunities.

Bond Dollars would be used to make much needed repairs and upgrades to our building, such as:

- **Replace and upgrade electrical systems and components**
- **Replace and upgrade heating and cooling systems and components**
- **Replace and upgrade fire alarm system**
- **Replace roofing**

Douglas County School District would also evaluate our building for additional repairs that would make our learning environment as productive as possible for our students.
