Investing in Cimarron Middle School Students

2018 Mill Levy Override and Bond Proposal

The Douglas County School District's Board of Education recently voted to place a \$40 million Mill Levy Override (MLO) and \$250 million no-new-taxes Bond on the ballot this fall. If passed by voters, this is how the additional funds would be invested in our school.

Mill Levy Override and Bond Dollars would be used to:

- Make teacher and staff pay more competitive with neighboring school districts
- Add counselors for our students
- Enhance safety and security systems

Douglas County School District would also evaluate our building for needed repairs or improvements that would make our learning environment as safe and productive as possible for our students.

MLO/Bond funding would be used by DCSD to replace and upgrade Information Technology and Transportation, and offer more student programming opportunities.
