

### To get ready for the GED:

Contact your school counselor or AP to determine if you are a good candidate for the GED. These people will have information for you.

Register with GED Testing Service by creating an account at [www.ged.com](http://www.ged.com), your start-to-finish tool for the GED. Once you have created your online account, you will be taken to a portal called MyGED. On that site you will find study resources, tutorials, testing tips and pre-tests.

### Content:

There are four subjects

Science (90 minutes)

Mathematics (120 minutes)

Social Studies (75 minutes)

Reasoning through Language Arts (155 minutes)

- Cost is \$37.50 per subject

### Requirements:

- Candidates must be at least 17 years of age.
- Must have a valid, government-issued picture ID with date of birth and signature.
- When you register in GED testing service, enter your name *exactly* as it appears on your ID.
- You are required to bring your ID to each testing appointment. If you do not have your ID, you will not be able to test.

Other Information:

- Once registered through GED.com, start with the *free* practice tests.
- It is recommended that you take GED ready, the Official Practice Test on the GED Study Tab. Tests are \$6.00 per subject.
- There is a discounted re-test program. Every student is eligible for two discounted retakes for each GED subject taken.
- All tests are available in English and Spanish.

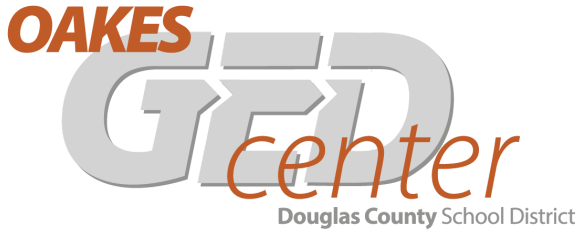

Tutoring help:

If the pre-test indicates you are “too close to call” and you would like to have tutoring, contact eDCSD and they will be happy to assist in getting tutoring.
