

# PINE GROVE POINTS OF PRIDE!

There is much to be proud of within our walls at Pine Grove Elementary! As Douglas County offers parents many choices for their student's education, we are proud to highlight some of our **POINTS OF PRIDE:**

- We are a **neighborhood school** located in Stonegate and part of the **Chaparral High School feeder area**
- Our motto: “**Building The Bridge From Foundation To Innovation**” means that your children learn foundational skills of reading, writing, computation, and problem solving in engaging and innovative ways.
- Our teachers know your child! As part of **personalized learning**, students and teachers set goals together, monitor progress together, and celebrate learning with performance assessments!
- The **Performing Arts are alive at Pine Grove** where your child engages with a world class group of teachers who provide them with opportunities to grow and develop different areas of their brain to support their academics daily through Music, Art, PE and Technology classes.
- When your child attends Pine Grove, they have the opportunity to join **Student Leadership Teams** and many different clubs and organizations during the school day, as well as before and after school.
- There are many opportunities as a **parent to be involved with your child's education**. Whether attending PGEA meetings to get involved with fundraising or attending SAC meetings to learn more of the business side of operating a school, there are many opportunities to be involved at PGE! We always welcome parent volunteers within the classrooms as well. Last year we had 4,546 parent volunteer hours!!
